
King's Bounty: Dark Side Premium Edition Upgrade Activation Code [Patch]

Download ->>> <http://bit.ly/2SKCSqh>

About This Content

Premium edition upgrade includes Dark Side Cookies bonus DLC that features:

- Clot of Darkness amulet providing bonus to money and experience
- Two additional locations
- Over a dozen additional quests and a new unit

Please note: Owners of Premium edition have this DLC already.

Please note: You'll need to start a new game to create the game world with new content. If you continue a save started in regular edition, premium content won't be available.
